

Dear Hiring Manager,

I am writing to express my interest for software engineer job in position Full-Stack Developer offering your company. As a software engineering and distributed systems graduate from ENSET Mohammadia a, I believe I have the skills and qualifications required for this position. I am delighted to have the opportunity to work at Deloitte company.

I am AZZOUZ SAFA, recent graduate with a degree in software engineering and distributed systems. During my time at ENSET Mohammadia, I gained valuable experience in software development and distributed information systems through coursework and practical projects. I have a solid foundation in programming languages. Additionally, I have experience working with others and have developed strong communication and teamwork skills.

I am delighted to have the opportunity to work at Deloitte, a company renowned for innovation and excellence. I believe my education and experience have prepared me well for this position and I can make a valuable contribution to your team.

I would like to further explain my motivation for this position during a personal meeting. You can reach me either by phone via 0636677771 or by email via safaazzouz1999@gmail.com. Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Azzouz safa
